

SMALL BUSINESS CONTRACTING

DISCLAIMER: This document is based on constantly evolving official guidance and is subject to further updates. This document should not be considered legal advice.

Updated as of 4/3/2020.

If you are a government contractor, there are a number of ways that Congress has provided relief and protection for your business. Agencies will be able to modify terms and conditions of a contract and to reimburse contractors at a billing rate of up to 40 hours per week of any paid leave, including sick leave. The contractors eligible are those whose employees or subcontractors cannot perform work on site and cannot telework due to federal facilities closing because of COVID-19.

If you need additional assistance, please reach out to your [local](#) Small Business Development Center, Women's Business Center, SCORE chapter, or SBA District Office. You should also work with your agency's contracting officer, as well as the agency's Office of Small and Disadvantaged Business Utilization (OSDBU).
