WASHINGTON, D.C., 06/14/2022 – Wine & Spirits Wholesalers of America (WSWA) announced the hiring of Tyler Daul, who will join the state affairs team as a coordinator. In his new role, Daul will assist with the administration of state outreach, legislative tracking, and planning of daily tasks and travel for the state affairs team.

“We are thrilled to have Tyler join our growing state affairs team,” said Dawson Hobbs, executive vice president, government affairs. “With the many current projects, upcoming events and thorough legislative tracking our team works on, we know Tyler will be effective in keeping us on track and assisting in the success of the team’s efforts, as well as working closely with our members and state association partners to ensure they have the resources they need.”

Prior to joining WSWA, Tyler attended Marquette University in Wisconsin. While in school, Tyler interned in both the U.S. House of Representatives and the U.S. Senate.

“I’m honored to join the state affairs team as a coordinator,” said Daul. “I am excited to start my first job out of college with WSWA. I look forward to learning from my colleagues, our members, and industry partners to contribute to the success of this exciting industry.”
